

ST. EDMUND'S NEWS

**What's been going
on this week at
school!**

SCHOOL IMPROVEMENT

This year we are focusing on 4 priorities across the school this includes:

- Increasing attendance across the school;
- Increase the percentage of children achieving the expected standard for reading;
- To develop subject leaders across the school.

Look out for improvements in these areas.

DOGS ON SITE

We love having dogs on site across the school at the start and the end of the day but we are seeing too much dog poo left unpicked. Please make sure that if you are a dog owner that you are picking up dog poo at school.

JEANS FOR GENES

This week we joined in with many around the country in supporting Jeans for Genes; a charity that raises awareness of the daily challenges faced by those living with a genetic condition and raises money to fund projects that make a tangible difference to the lives

of those affected. The charity aims to shine a light on the organisations that work tirelessly to improve the lives of affected individuals; and celebrates the achievements of those living with a genetic condition. We raised over £100 for the charity – thank you for your support!
