

# ST. EDMUND'S NEWS

What's been going on this week at school!

## BRITISH GAS COMMUNITY

On Thursday, a team from British Gas came into school for a community day. They got stuck into the Reception outside area, clearing trees and bushes, creating a gardening area and generally tidying up the space that we have got for our smallest children. We are so grateful for the work that they did throughout the day, despite the appalling weather! Have a look on Dojo for some more information.

## DOJO SHOP

After half-term the Dojo shop will be up and running for children to spend their Dojo points! This is really exciting for the children and there are lots of ways that they can collect points throughout the week including reading and homework!

## FOOTBALL AT ST. MICHAEL'S

On Monday, the school football team travelled to St. Michael's for their annual football tournament with other schools in the local area. This was a great opportunity to use the facilities that St. Michael's has and take part in some competitive fixtures against a

a variety of different sized schools, including St. Paul's. The team were complemented on their behaviour, sporting ability and respect for the other teams that were taken part! Another great opportunity.
