

# ST. EDMUND'S NEWS

**What's been going  
on this week at  
school!**

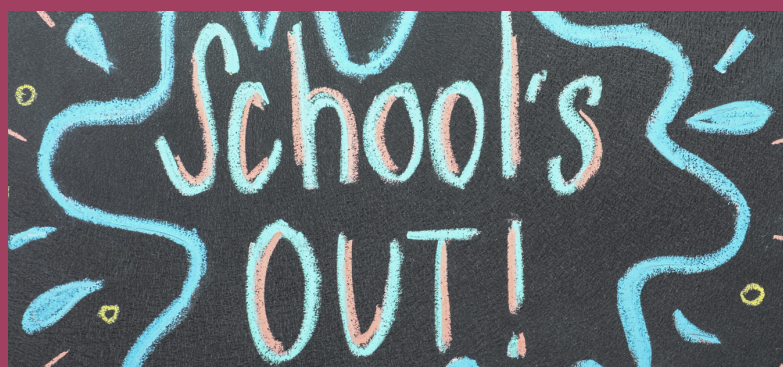

## RUGBYTOTS SESSIONS

This week, every class had the chance to take part in a RugbyTots session in school. This allowed them to showcase their rugby skills and learn some new ones alongside a professional coach. The children had a fantastic time and much fun was had by all across the whole school. We are hoping to start a RugbyTots club at school - if you would be interested in this, please contact Mrs Massey.

## HALF TERM

Seven weeks have come to an end and what a busy time it has been! We had a number of visitors to the school all who comment on the calm and purposeful learning environment and the learning that is taking place throughout the school!

## WK LIBRARY VISITS

We are developing a really close relationship with the West Kingsdown library with a different class walking each week and changing their books. In addition to this, they are able to explore and share the books that are available to them and see the different events that the

library has to offer. Reading and libraries are so important to communities so please do take your children this half term if you can! Without people borrowing books, they won't survive and that would be an incredibly sad situation to be in.
