

ST. EDMUND'S NEWS

**What's been going
on this week at
school!**

ASSESSMENTS AND DT WEEK

The whole school has been busy this week with assessment and DT week across the school. Check out Dojo for some fantastic pictures of the DT projects that have been going on. You will get the assessment results in the last week of term; this will include reading, mathematics, writing and grammar. If you have any questions about these results, please speak to your child's class teacher.

PARKING

We know that parking around school is tight and difficult but, please could we ask that parents/carers are parking considerably around the local roads. We have had a number of complaints this week about careless parking!

FOOTBALL

Football has featured heavily again this week with 3 matches played including two against Fawkhams which we won 1-0. Our football teams really are doing a fantastic job in their matches and playing as a team - clearly that coaching from Mr Ledger and Mr Harris is paying off! We are currently looking for donations of football boots for those players that don't play regularly. If you have any, please do give them into the office!
