**What's been going
on this week at
school!**

CHRISTMAS

Christmas came early to St. Edmund's this week as Santa and his very cheeky elves came to school for a wonderful day of festive cheer. The children were so excited to see him and spend time with him throughout the day. In addition to this, they took part in Christmas crafts and activities all organised by the PTA. Thank you to everyone involved with this and all the PTA helpers for their dedication and commitment to giving the children a wonderful experience.

CHRISTINGLE

The whole school were treated to a very special Christingle at St. Edmund's church with Rev. Sarah this week. It is so wonderful to be able to get all the children into church and remind them about why our links are so strong. Thanks to Rev. Sarah.

MESSAGE FROM MRS STONEHAM

There is something quite magical about Christmas time in a school. To see the awe, wonder and joy on little peoples faces is very special and makes all the hard work very much worth it. There is still much to do in this final week including nativity, pantomime, Christmas concert and mid-year reports. Remember that we are here to support you and your family in the run up to, what can be, a very stressful holiday season. Remember that Christmas is about time spent together, not amount of money spent. If you are worried about the break, have a chat to Mr Harris on the gate.
