

ST. EDMUND'S NEWS

**What's been going
on this week at
school!**

PLAYTIMES

As we come into the winter months, playtimes can become a bit muddy, however we do not want our children to miss out on the fun, so please make sure that your child has a pair of wellies or outdoor shoes that can remain in school for them to change into. If your child has a snow or mud suit that you would like them to wear at school, please send it in and we will make sure that your child is able to change before going out to play.

COMMUNITY

Community groups will be back up and running this week with Baby and Toddler on Mondays, Warm Space on Thursdays and Mr Harris' new Friday Pop Up Cafe where you are invited in for a warm drink and a chat before picking the children up for the weekend. For everyone!

Term 3 Week 1

MESSAGE FROM MRS STONEHAM

Welcome back, we have had a great start to the week. The children have been sharing their stories from over the Christmas break with us and have settled back into their classes.

We will be emailing out Parent Curriculum Overviews to you so that you can see what your child will be learning about this term. There are some great topics this term including Space in Reception up to the WWII in Year 6.

There is also lots of extra curricular activities starting this term, Forest School for Year 4, Biking for Year 5, Swimming for Year 2 and soon the list for after school clubs will go live.

'Let your light shine' Matthew 5
