

# ST. EDMUND'S NEWS

**What's been going  
on this week at  
school!**

## PLAYTIMES

We are set for another week of cold weather. It has been wonderful to be able to play and learn in our school grounds and we would love for this to continue. The children have been very good at wrapping themselves up before going out so please make sure that hats, gloves, scarves and wellies come into school. Eve and I always find the odd glove or scarf that has been left outside and on Fridays I will set up a table at pick up time for any winter items to be claimed.

## CURRICULUM

This week has been a hive of activity, with the children settling into their first full week of learning. Reception have been talking to an astronaut about life in Space, Year 1 have started their class text, The Bog Baby, Year 2 started their swimming lessons, Year 3 have started their animal unit in Science, Year 4 started their Forest School sessions, Year 5 have been working on their biking skills and Year 6 have started to research WWII.

## MESSAGE FROM MRS STONEHAM

One of the great things about our school, is when we have visitors and they comment on the calmness and engagement of the learning, How the pupils are all so polite, confident and eager to share their community. We have been fortunate for these comments to be paid to our school this week as our children continue to shine their lights. We start our next week of learning with Double Dojo Point Monday, which means that all points awarded on Monday will be doubled. I know many children are saving up for the bigger point prizes in the shop and hopefully getting double points will boost their amounts this term,.
