

ST. EDMUND'S NEWS

What's been going on this week at school!

SPONSORED SWIM RELAY

On Sunday 17th March, a team of nine swimmers from St Edmund's will be taking part in a sponsored swim at Maidstone Leisure Centre, to help raise money for the charity Demelza. Please keep an eye out on Dojo if you would like to sponsor our team as half of the money raised goes back into our school.

RISING STARS

It will soon come when our strong Year 6 footballers move onto pastures new and the younger members of our school will be stepping up into their shoes. This week our Year 4 team took part in a tournament against other schools in Dartford. They played six games, winning four, losing one and only conceding one goal in the whole tournament. They finished in second place and played to an exceptionally high standard.

Next week it will be our girls turn as they play against other schools at Legends Sport in Gravesend.

MESSAGE FROM MRS STONEHAM

This week so many of our children have been shining their lights using skills outside of the classroom and continue to do so in the next coming weeks. As a community it is important that we continue to offer a range of different sporting opportunities for all of our children so that they experience and find a passion which enables them to shine.

This doesn't always have to be a sport, so many of our children participate in activities outside of school and it is a joy to be able to share their achievements with you on Classroom Dojo.

For three weeks in a row, children in our school have been awarded Beaver of the Week, for shining their lights at their weekly Beaver Club. In accepting this award in Celebration Worship this week, one of our children shared with us that he was awarded it for 'being the best version of me'.

In teaching our children to shine their lights inside and outside of school, we continue to work together to build a community where all of our children can be the best versions of themselves.

Term 4 Week 2

'Let your light shine' Matthew 5
