Topaz—Term 1

English	This term in English, the pupils will be exploring their new book 'The Lonely Beast' by Chris Judge. They will be learning to write a character description of the Beast using the narrative and illustrations to help. We will write a recount of the journey that the Beast goes on using time connectives.
Maths	In maths this term, we will be developing our understanding of place value (within 10). The pupils will be learning to sort objects into groups effectively as well as counting objects. The pupils will develop an understanding that each digit in a number has a value. The pupil will use a range of resources which are pictorial, abstract and concrete resources to show their understanding.
Science	This term in science, the pupils will be learning about weather. The pupils will develop an understanding of the different types of weather and what time of year these types of weather typically occur. The pupils will be developing an understanding of the different seasons that occur throughout the year.
Geography	Our geography topic this term will be Weather and fieldwork. We will be developing an understanding of the use of weather symbols and why these are important for our day to day understanding of the weather. The pupils will also be learning what weather is and how it is important to make decisions during specific weather to keep safe.
PSHE	This term in PSHE the pupils will be learning about family and relationships. The pupils will develop an understanding of the importance of relationships. Additionally, the pupils will also be learning about how to recognise other people's emotions in situations to ensure that they have the foundations of maintaining relationships.
Music	The pupils will be looking at and understanding the terminologies 'pulse' and 'rhythm'. We will explore making music with our bodies. They will create a pattern using different pulses and rhythm and then piece together some music and perform it as part of a group.
Computing	This term we will be looking at Online safety pictograms. We will be learning what it means to be safe when using technology and the importance of online safety in our day to day lives. The pupils will be exploring pictograms to represent data using technology.
RE	In R.E, the pupils will be learning about what Christians believe that God is like. The pupils will develop an understanding of what Christians believe the characteristics of God are and why these characteristics are so important to Christians.
PE	This term in P.E, the pupils will be doing tag rugby on a Thursday with Miss Bracken where they will learn how to make quick decisions throughout the game. As well as begin to understand the importance of speed and direction in order to defend and attack appropriately.

Core Books

The Lonely Beast is a story about a Beast who is determined to overcome his loneliness by finding others like him. He travels around the world to try and find a friend but when he gets back home all the beasts await for him.

The Lonely Beast is loved for his gentleness and kindness, but what he wants most is to be friends with another beast.
